

## **THERE IS AN ALTERNATIVE – Ian Henery**

Pig (exploited)

I`m a pig, my life`s foresaken;  
I`m frying in the pan as bacon.  
There is an alternative.....

Chicken (exploited)

I`m a chicken, my life`s stuffed;  
If you get salmonella, that`s tough.  
There is an alternative.....

Beef (exploited)

I`m a calf, playing in the breeze;  
I know nothing about mad cow disease.  
There is an alternative.....

Sheep (exploited)

I`m a lamb, gambolling on my feet;  
How can you see me as just meat?  
There is an alternative.,.....

Duck (exploited)

Here I am, a little duck;  
If you`re hungry I`m - out of luck!  
There is an alternative.....

Turkey (exploited)

I`m a turkey, I hate the festive season;  
Killing for Christmas is not a good reason  
To celebrate the birth of a child  
Or peace, sweetness and mild.  
There is an alternative.,.....

Factory Fish Farming (exploited)

I`m a prawn, living in the sea;  
The ecosystem depends on me.  
There is an alternative.....
